

The Texas Education Agency released its' A-F Accountability Rating on August 15, 2018. **Caddo Mills ISD received an A!** In addition, all campuses Met Standard and we received many distinctions. We are very proud of our students and staff for setting goals and attaining them! This rating is a testament to the standards that have been set and our goal to be the BEST in everything that we do!

We will continue to set lofty goals and raise our standards to achieve the results that our community expects! Our students are much, much more than just the STAAR Test. We prepare our students to be productive members of our society. We teach higher level thinking skills while developing character, work ethic and grit. These traits will serve our students well in life and we are proud to be a part of a mission field that is so important.

Congratulations to the entire CMISD Team on a job well done and we will continue to get better! #CMISD212
